1. Would you be willing to participate in this alternative EWS project?

☐ Yes

☐ No

2. Now suppose this new alternative EWS project could no longer be offered free of charge and suppose it was not available through the Department of health/SA Weather service or partner organisations. What is the **maximum amount** that would you be willing to pay at your own expense monthly? **Please consider what you could realistically afford to pay given your current financial situation.**
