

Supplementary Figure 4. Intrahippocampal injection of AAV5-*mgll*-shRNA or AAV5-*hmgll*, related to Figure-4 (A) Schematic illustration of the protocol for intrahippocampal AAV-*mgll*-shRNA injection. (B) Immunostaining showing MAGL expression in the hippocampus following AAV-*mgll*-shRNA injection. (C) Schematic illustration of the protocol for intrahippocampal AAV-*hmgll* overexpression. (D) Immunostaining showing MAGL overexpression in the hippocampus following AAV-*hmgll* vector injection.
