

Supplementary Data for metabolomic of goat's feces from Bermudagrass and Sunn Hemp using ^1H -NMR and LC/MS methods

Figure S1. PCA Scores Plot from NMR analysis for Bermudagrass group (left) and Sunn Hemp group (right)

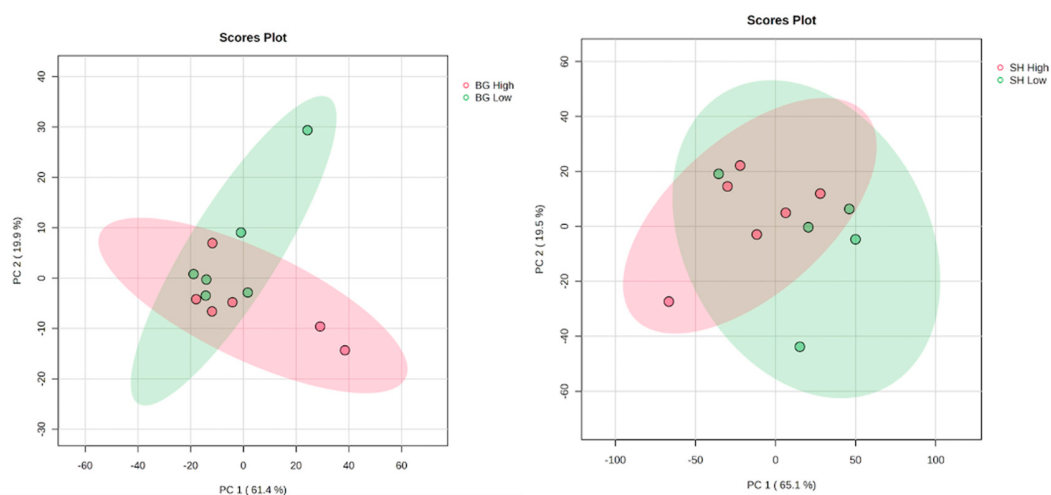

Figure S2. PLSDA Scores Plot from NMR analysis for Bermudagrass group (left) and Sunn Hemp group (right)

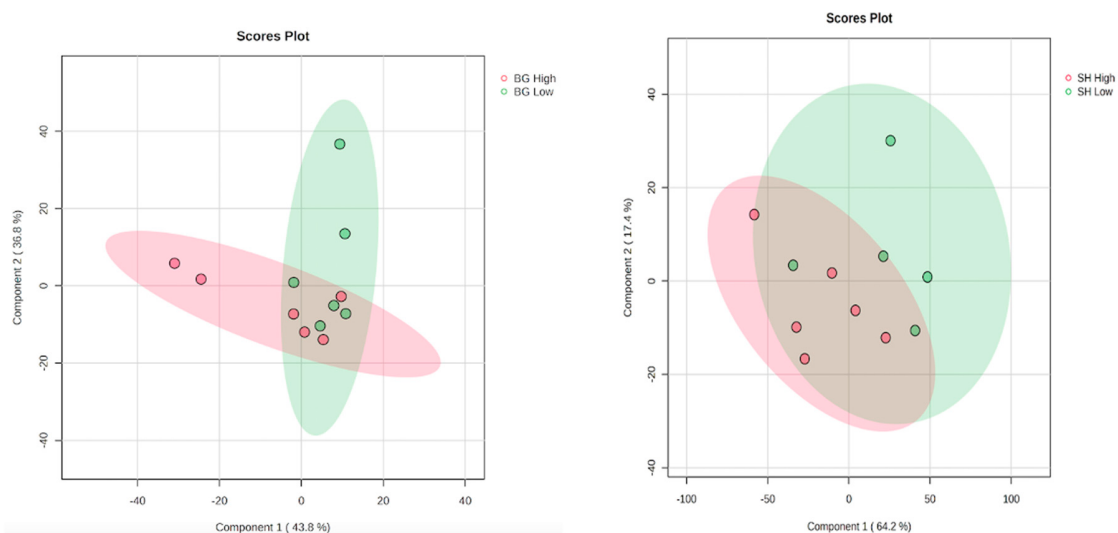

Figure S3. PCA Scores Plot from LC/MS analysis for Bermudagrass group (left) and Sunn Hemp group (right)

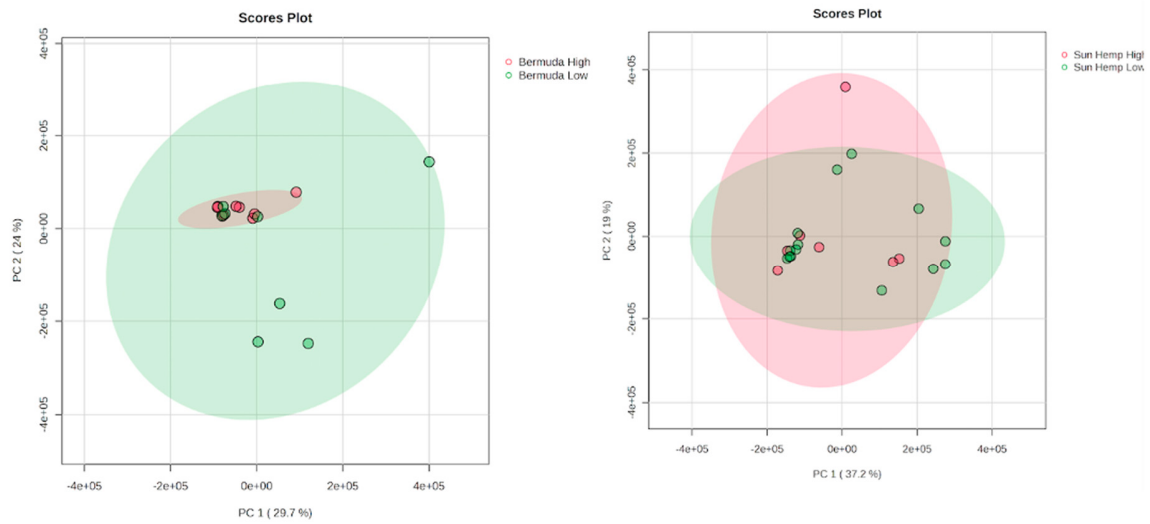

Figure S4. PLSDA Scores Plot from LC/MS analysis for Bermudagrass group (left) and Sunn Hemp group (right)
