REF: Support letter for Mr. Kilagwa Ibrahim

I hereby grant approval for the use of the *AfyaData* app for the MSc research under the following conditions:

- 1. Ethical Procedures:** It is imperative that the research strictly adheres to all ethical guidelines and procedures applicable to data collection, ensuring the highest standards of integrity and compliance.
- 2. Acknowledgment:** I kindly request that Mr. Kilagwa and his research team acknowledge the SACIDS Foundation for One Health as the rightful owner of the *AfyaData* tool in all future research reports, publications, and any dissemination of research findings. Proper attribution is vital to recognizing our organization's contributions to this research endeavor.

Should you require any further clarification or have questions regarding this authorization or related matters, please do not hesitate to contact me directly.

I have full confidence that this authorization will facilitate the successful execution of MSc research project and contribute significantly to the field of health data science.

Thank you for your cooperation and commitment to ethical research practices.
