Hi Al,

Is it ok that we list you as author?

Otherwise, we need to consent you or remove your feedback. Eduardo will share with you the final version that you can make an informed decision.

Please see below.

Best
Dennis

Dear Dr. Lal,

We are returning this new submission because it contains names of non-authors in the supplementary file "AI_Education_Podcast_Supplementary_File.docx". Please upload as supplementary information a consent document where these people authorize their names appearing in the manuscript as authors of the comments. Otherwise, please remove their names from the document if they are not listed as authors in the main manuscript.

You will find your submission in the "Papers Returned for Your Attention" section of your Author Area.

Kind regards,
The medRxiv team
