

Covid Survey 2020: Topic guide for Interviews

- *Introduction and recap the purpose of the study.*
- *Acknowledge that the interview will be anonymous, and no identifiable information will be shared with those outside of the study.*
- *Responses will be shared anonymously and may be quoted in publications.*

(Data to completed as far as possible from survey info)

Name / Participant number		
Date		
Time		
Email		
Telephone		
Age		
Geographic Area		
Employment status		
Ethnicity		
Date of Birth of new Baby		
Number of children		
Ages of children		
Immunisation status in this pregnancy	Pertussis	Flu
Immunisation status in previous pregnancies	Pertussis	Flu
If still pregnant - how many weeks?		
Any health complications during pregnancy		

1. Can you tell me about your experience of being pregnant during the corona virus period?

Prompts

- How different from previous pregnancies
- Different antenatal care?
- Partner attendance at appts?

2. Thinking about your pregnancy can you please tell me about your experience of vaccination?

Prompts

- Did you know you should be vaccinated during pregnancy?
 - Whooping cough / Flu
- Do you know why these vaccines are recommended?
- Please tell me how you learned that you should receive vaccinations during your pregnancy?
- Who discussed vaccination with you? And how? i.e. letter, text msg, verbal
 - When did this occur?
 - Given enough info to make informed decision?
 - Given opportunity to ask any questions?
- Were you able to get vaccinated?
- How easy was it to access the centre where the vaccines were administered?
 - making an appointment,
 - experience of the appointment
- Why did you decide to/not to vaccinate?
 - (was the decision an active and considered choice or simply following advice?)
- What do you think are the most important influences to your decision to vaccinate?
 - Who? Role of family/friends
- Would you recommend vaccination in pregnancy to friends/relatives?

3. Tell me about your new baby

Prompts

- Have they started/completed their vaccination schedule?
- And other children?
- If <8 weeks, do they plan to fully vaccinate their baby?

If no, explore in what way they plan to modify and reasons.

4. There has been much discussion of a vaccine against Covid

- What are your feelings about receiving the vaccine?

Prompts

- Would you have the vaccine?
 - When not pregnant/when pregnant
- Would you give it to your baby/child?
- What are your concerns

Thank you

I have no further questions, is there anything we have not discussed that you would like to tell me more about.

Is there anything you would like to ask me?
