

Supplemental Figure S1. Vape shop practices over time among participants reporting past 6-month e-cigarette use and lifetime/past-year vape shop visits.

Notes: Figure 1a, significant differences between W1 and W2 for noticing age verification signs and being asked for age verification upon entering/purchasing and for purchasing specifically. Figure 1b, significant differences between W2 and W3 for noticing any other tobacco products (including HTPs and others, respectively). Figure 1c, significant differences between W1 and W2 and between W2 and W3 for noticing any product related to CBD or THC (and for each specific item, respectively). Figure 1d, significant differences between W1 and W2 offered free samples, offered price promotions, noticed health warning labels on products and ads, and between W2 and W3 told e-cigarettes have no health risks.
