

**Fig 1C**

Figure 1C top left panel was generated from this original image.

Figure 1C top right panel was generated from this original image.

Figure 1C middle left panel was generated from this original image.

Figure 1C middle right panel was generated from this original image.

Figure 1C bottom left panel was generated from this original image.

Figure 1C bottom right panel was generated from this original image.

Fig 1H

Figure 1H top panel was generated from this original image.

Figure 1H bottom panel was generated from this original image.

Fig 2B

Figure 2B top left panel was generated from this original image.

Figure 2B top right panel was generated from this original image.

Figure 2B bottom left panel was generated from this original image.

Figure 2B bottom right panel was generated from this original image.

Fig 2C

Figure 2C top left panel was generated from this original image.

Figure 2C top right panel was generated from this original image.

Figure 2C middle left panel was generated from this original image.

Figure 2C middle right panel was generated from this original image.

Figure 2C bottom left panel was generated from this original image.

Figure 2C bottom right panel was generated from this original image.

Fig 3A

Figure 3A top panel was generated from this original image.

Figure 3A middle panel was generated from this original image.

Figure 3A bottom panel was generated from this original image.

Fig 3B

Figure 3B top panel was generated from this original image.

Figure 3B bottom panel was generated from this original image.

Fig 3C

Figure 3C top panel was generated from this original image.

Figure 3C bottom panel was generated from this original image.

Fig 3D

Figure 3D top panel was generated from this original image.

Figure 3D middle panel was generated from this original image.

Figure 3D bottom panel was generated from this original image.

Fig 4A

Figure 4A top panel was generated from this original image.

Figure 4A middle panel was generated from this original image.

Figure 4A bottom panel was generated from this original image.

Fig 4B

Figure 4B top panel was generated from this original image.

Figure 4B middle panel was generated from this original image.

Figure 4B bottom panel was generated from this original image.

Fig 4C

Figure 4C top panel was generated from this original image.

Figure 4C middle panel was generated from this original image.

Figure 4C bottom panel was generated from this original image.
