

A.

Correlation of the Primary isoform of PIK3R1 (p85a) Expression and Overall Survival in BRCA based on Racial Disparity

Correlation of the Splicing Variant of PIK3R1 (p55a) Expression and Overall Survival in BRCA based on Racial Disparity

**B.**

Correlation of the Primary isoform of PIK3R1 (p85a) Expression and Overall Survival in KICH based on Racial Disparity

Correlation of the Splicing Variant of PIK3R1 (p55a) Expression and Overall Survival in KICH based on Racial Disparity

**C.**

Correlation of the Primary isoform of PIK3R1 (p85a) Expression and Overall Survival in KIRP based on Racial Disparity

Correlation of the Splicing Variant of PIK3R1 (p55a) Expression and Overall Survival in KIRP based on Racial Disparity

**D.**

Correlation of the Primary isoform of PIK3R1 (p85a) Expression and Overall Survival in LIHC based on Racial Disparity

Correlation of the Splicing Variant of PIK3R1 (p55a) Expression and Overall Survival in LIHC based on Racial Disparity

**E.**

Correlation of the Primary isoform of PIK3R1 (p85a) Expression and Overall Survival in PRAD based on Racial Disparity

Correlation of the Splicing Variant of PIK3R1 (p55a) Expression and Overall Survival in PRAD based on Racial Disparity

**F.**

Correlation of the Primary isoform of PIK3R1 (p85a) Expression and Overall Survival in THCA based on Racial Disparity

Correlation of the Splicing Variant of PIK3R1 (p55a) Expression and Overall Survival in THCA based on Racial Disparity

**G.**

Correlation of the Primary isoform of PIK3R1 (p85a) Expression and Overall Survival in UCEC based on Racial Disparity

Correlation of the Splicing Variant of PIK3R1 (p55a) Expression and Overall Survival in UCEC based on Racial Disparity
